

## WHO WE ARE

LSPOR members are health care researchers, health technology developers and assessors, regulators, health economists, health care policy makers, payers, providers, educators and students.

## WHAT WE DO

LSPOR members strive to increase the efficiency, effectiveness and fairness of health care to improve health.

## WHY YOU SHOULD JOIN

LSPOR is a membership society of individuals aiming to become a reference for health outcomes research and its use in health care decisions.

LSPOR provides an opportunity to network with professionals in your field or similar fields that will increase your awareness and scientific knowledge in pharmacoeconomics/health economics and patient health outcomes.

## LSPOR Bylaws – article 4 Membership

Membership is open to any health care professional (physician, or public health practitioner) working in Lebanon interested in the Society and supportive of the mission of the Society. The applicant must be Lebanese for more than 10 years, hold a university degree and have a clear judicial record. Applicants must submit the following documents to the secretary by email and in hard copies:

1. Statement declaring intent to join ISPOR Lebanon Chapter and support of LSPOR mission and willingness to abide by its constitution
2. CV
3. Judicial record
4. Copy of the identification card
5. Contact information: Address, phone, email
6. Support letters from two members

The secretary will verify the documents and review them with the society's president. The application must be approved by majority of the members of the Executive Committee.

In addition to the yearly membership (50,000LBP), members must pay an enrollment fee of 50,000 LBP once they are accepted.

Membership fees: 50,000 LBP/ Year
